

Calling all artists! We are a small charity on Romney Marsh supporting people who are feeling lonely by connecting them with other people. Lockdown has been a very lonely time for some people, and we need your help. We would love you to take part in our Art exhibition, and share your world with us.

My World

Draw around a plate or a bowl to make a circle and fill it with images that make up your world. Tell us something about you, and what fills your thoughts and days.

Feel free to use any art form you want: drawings, paintings, mixed media, collage.

Your world is our world.

We will display your work on our CARM App virtual gallery at first. When we can, we hope to have a big public exhibition for everyone to come and see.

If you agree, we will display your **first name**, **your age**, and which **town/village** you are from, so don't forget to give us that information, as well as your contact details.

You can submit your photographed work for our virtual gallery via our CARM App: <https://carm.imobile.one> or by email to: rem@carmromneymarsh.org.uk

Please send original work by post to: CARM, Art Gallery, Unit 12 Mountfield Road Industrial Estate, New Romney, TN28 8LH, or keep it safe for later collection.
